AI & AUTOMATION TOOLS

EXPERIENCE

Freelance CV Specialist & Web Developer

Duration: 2025 – Present

Created and formatted professional bilingual (English/Arabic) CVs for recruitment agencies specializing in domestic worker placement to the Middle East. Managed end-to-end document creation for 50+ candidates across 4+ agencies.

Independent Author & Publisher

Duration: 2025 – Present

Self-published 11+ books across two genres. Built dedicated websites for each publication with PDF downloads, online reading, and responsive design. Total published word count: 100,000+ words.

Independent App Developer

Duration: 2024 – Present

Designed, built, and deployed 10+ web and mobile applications including games, social platforms, music apps, and betting systems. All projects hosted on GitHub with public repositories and live deployments.

EDUCATION

Self-Directed Learning & Professional Development

Continuously learning through online resources, documentation, and hands-on project building. Self-taught in web development, mobile app development, AI integration, and document processing.

ORGANIZATIONS & LEADERSHIP

Founder — SGSS (Spiritual Growth & Scientific Studies)

Founded an organization dedicated to exploring the intersection of faith, science, and human potential. Created multiple publications and educational resources under the SGSS banner.
